

GOOD NEIGHBORS MAKE GREAT PANTHERS.

PERRIN ELEMENTARY PTA
**2026-2027 COMMUNITY
PARTNER INVITATION**

DEAR NEIGHBOR,

Perrin Elementary is more than a school. It's a growing community of students, families, teachers, and neighbors building something together. As a Title I elementary school serving approximately 780 students in Pre-K through 5th grade, many of our families rely on the additional programs, resources, and experiences made possible through community support.

Perrin Elementary opened in 2024, which means many of the traditions, programs, and community connections surrounding our school are still being built. Perrin PTA works alongside our school to help create those opportunities, from student enrichment and family events to teacher support, campus needs, and programs that help every student feel connected to their school community.

This year, we're inviting you to join **THE PANTHER PACK.**

We believe a community partnership should be about more than placing a logo on a flyer. We want to build lasting relationships between Perrin families and the local businesses and organizations that invest in our school.

Throughout the year, our Community Partners may be invited to participate in PTA programs, fundraisers, and family events, including our signature fall and spring events. These opportunities allow our partners to connect with Perrin families face-to-face through activities, booths, demonstrations, giveaways, family resources, and other meaningful ways to engage with our school community.

Partnerships of all kinds help us do more. Whether it's sponsoring a PTA program, supporting classroom or campus needs, donating goods or services, contributing to student enrichment, or helping us create memorable experiences for Perrin families, every partnership makes an impact.

With approximately 780 students and their families connected to Perrin Elementary, becoming a Community Partner is an opportunity to build meaningful relationships with families right here in our community while directly supporting a local Title I school. We've included several ways your business can get involved throughout the year, with opportunities for both financial sponsorships and in-kind support.

We would love to welcome your business to the Pride and build a partnership that makes sense for you. Thank you for considering an investment in our Panthers. We're excited about what we can accomplish together.

Thank you!

SYDNEY THORMAN

Contributions greater than \$1K

**Vendor space and event recognition are available at eligible PTA-hosted events and are subject to event format, space availability, school policies, district requirements, and PTA approval. Sponsorship does not guarantee exclusivity within a business category unless a separate exclusive partnership agreement has been approved by the PTA. Premier sponsorship contributions over \$1,000 may receive additional customized benefits based on the value and nature of the contribution. Perrin Elementary PTA is a 501(c)(3) nonprofit organization. Sponsorships and contributions may be tax-deductible to the extent permitted by law. The deductible portion may vary if goods, services, advertising, or other benefits are provided in exchange for the contribution. Sponsors should consult their tax advisor regarding their individual circumstances.*

IN-KIND *Support*

Perrin PTA also welcomes donated goods, services and other in-kind support that can help make our programs and events possible.

- Food & Refreshments
- Gift Cards & Prizes
- Printing & Signage
- Event Supplies
